Knowledge Congress FAS123R Webinar to Feature EASi's CTO

Ebersole to Discuss Data and Systems Essentials for a Successful Accounting Process

Pleasanton, CA – June 23, 2009 –Equity Administration Solutions, Inc. (EASi), the leading independent equity compensation management software company, today announced that Mark Ebersole, President and Chief Technology Officer, is a featured panelist for the July 7th Knowledge Congress Webinar titled FAS123R & SAB 107: Understanding Stock-Based Compensation Accounting.

During this educational webinar, Ebersole will discuss data representation, accounting calculations, reporting and compliance issues pertaining to FAS123R. “The way data is represented is the foundation for the accounting process. Done effectively, you can avoid pitfalls,” explained Ebersole.

Joining Ebersole at this two-hour live event will be Shan Nemeth from Deloitte & Touche, Alison Spivey from Ernst and Young and Barbara Baksa from the National Association of Stock Plan Professionals. This webinar will take place on July 7th from 9:00 to 11:00 a.m. Pacific Time. Visit <http://www.easiadmin.com/site/news/events.aspx> for registration information or contact sales@easiadmin.com for an invitation.

Equity Administration Solutions, Inc. www.easiadmin.com sells industrial strength stock plan expensing software designed to handle the accounting, tax and administration needs of companies that grant equity awards. Headquartered in Pleasanton, CA, EASi continues to lead the industry with second-to-none solutions in areas including FAS123R, IFRS 2, Performance Awards and WorkStream process automation. The company serves nearly one million participants in more than 60 countries spanning four continents.
